

Police Numbers:
Emergency: 911
Non-emergency: 703.691.2131

Hollin Hall Village Citizens Association's Neighborhood Watch

**Keeping our community safe & a pleasant place to live.
Let's continue looking out for each other.**

Introduce yourself to your neighbors

- Ask a neighbor to watch your house and collect mail when you go away

Lock your doors (vehicles & house)

- Remove valuables from your vehicle every night
- Hollin Hall continues to have items stolen from unlocked vehicles

Keep your porch lights on at night

- The biggest deterrent against intruders is a well lit neighborhood

All solicitors must produce a Fairfax Co. Solicitor's License when requested

- If they don't have a license, don't do business with them & report them right away to the non-emergency police number

Put an HHV decal on the back of your vehicle

- Contact timothy.foerster@gmail.com for your magnet or sticker decal
- Our decals help make our community safer by identifying vehicles that are a part of Hollin Hall Village

Report suspicious & criminal activity immediately to Fairfax County Police

- Call 911 in an emergency, or the non-emergency number: 703.691.2131
- Police use these calls to report crime statistics and justify funding

In neighborhoods where citizens join together to look out for each other's safety, the incidence of burglaries and other crimes against property is significantly reduced.
